5. (Unclassified - ISW) Talked with Miss Palmer in the office of Congressman Healey on the case of [redacted] I indicated that while [redacted] qualifications looked good the simple situation at this time was that we had no position available for his qualifications. I further indicated that we planned to be in touch with [redacted] in a few days and advise him of the situation. Miss Palmer indicated we appreciated the information and pointed out again that the Congressman was not trying to interfere and would be pleased to know that we planned to be in touch with the individual.

10. (Unclassified - GLC) Made arrangements through the Senate Foreign Relations Committee for a Miss Adams, in the office of Senator Kuchel, to receive a copy of the Willard Matthias report on Vietnam. Miss Adams had been referred to us by Robert Manning of State Department. (This is in accordance with arrangements previously made with Mr. Robert E. Lee, Acting Assistant Secretary of State for Congressional Relations.)

11. (Unclassified - GLC) Spoke with Mr. Joseph McIntyre, in the office of Senator Edward Kennedy, regarding a constituent request for a copy of the Willard Matthias report on Vietnam. I advised Mr. McIntyre that this document still carried an official use only limitation notwithstanding the fact there had been references to it in a number of newspaper articles. However, I added that arrangements had been made with the Senate Foreign Relations Committee for the Senator's office to receive a copy of this report for their use.

12. (Unclassified - GLC) Talked with Miss Natalie Martin, in the office of Senator George Smathers, who said she had made arrangements for me to see Senator Smathers at 11:45 tomorrow to discuss newspaper articles on missiles in Cuba. (OCI has prepared a briefing paper on this.)

13. (Unclassified - GLC) Picked up from Senate Internal Security Subcommittee a copy of the [redacted] staff conference. This is being forwarded to FE for final review prior to publication.

14. (Internal Use Only - JGO) [redacted] reviewed in part the draft report of the Senate Committee on Armed Services relating to H. R. 8427. The draft was not in a condition normally anticipated for a first draft. The revised committee print and report were sent to the printers during the evening for page proofs which will be available for correction during the day tomorrow.
